

4th November 2024

Dear Parent/Carer

CHILDREN IN NEED 2024

Treetops Learning Community would like to continue our tradition of supporting worthy causes and are pleased to be supporting the BBC Children in Need appeal on **Friday 15th November**.

Now, more than ever, they will be raising much needed funds to help change the lives of disadvantaged children and young people in communities up and down the UK.

Friday 15th November will be a **non-uniform day**.

Please show your support for Pudsey by donating through the **Children in Need** website. You can find the link to their website here.`

Thank you for your continued support.

Yours sincerely

Treetops Learning Community
