

29th November 2024

Dear Parent/Carer

We would like to remind everyone to try and come along to the **FOTS Christmas Market on Saturday 7th December between 12-4pm** here at school. They have lined up a fantastic array of stalls and gift ideas as well as bouncy castles, funfair games, raffle, hot drinks, a bar and a BBQ !

We would like to take this opportunity to remind our school community of all the fantastic work that FOTS does for our schools.

Behind the scenes, Sheri, Lisa and Charlotte are always working hard to raise funds for our students as well as planning future fund-raising events to raise even more! Thank you, also to those who volunteer and support these events to ensure everything runs smoothly.

Each year FOTS has raised enough money to ensure parents haven't had to contribute towards our Prom and Tree House Day.

This term they have also replaced cookers, a washing machine and dryer for our students to develop their Life Skills.

With all of us supporting FOTS events, the FOTS team are striving to continue to cover the costs of future school events.

Thank you again to everyone who gives up their time to help and support. It is much appreciated.

Yours sincerely

Mr J Brewer and Mr A Hattam
